

Buttercup Miniatures 1:12TH OR 1:6TH SCALE CHEQUEBOOK AND CHEQUES

Additional requirements: Paper glue, scissors, cocktail stick.

1. Cut out chequebook back. Turn so that white side is uppermost.
2. Cut out cheques.
3. Using the cocktail stick run a minute amount of glue in a line along the left hand side of chequebook back. Place first cheque, right side up, on the back and allow glue to dry.
4. Using the cocktail stick run a minute amount of glue in a line along the left hand side of cheque just attached to back. Place next cheque, right side up, on this cheque and allow glue to dry.
5. Repeat the process until all the cheques are stuck in the book
6. Cut out chequebook front cover.
7. Run a line of glue along the spine of the chequebook and on top cheque as shown in step 4.
8. Line up edges of front with cheques, place dark yellow section of front cover so it goes over the spine to back cover.
9. Stick down overlap on back cover, trim edges if required.
10. To add realism it is possible to cut some cheques out along the counterfoil as shown, this makes it appear some have been used.
