

Buttercup Miniatures - 1: 6th and 1:12th scale Father's Day Cards and Envelopes

Additional requirements: scissors, glue, cocktail stick

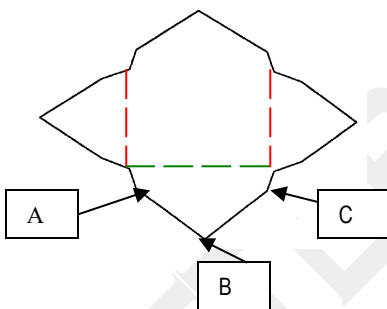

Instructions

Cards

1. Cut around card just inside black lines.
2. Fold in half along black dotted line as shown in picture above stage 1, so that the picture is on the outside.
3. Glue the front of the card to the back of the card (unprinted sides together)
4. Then fold card in half again along red dotted line as shown in picture above.

Envelopes

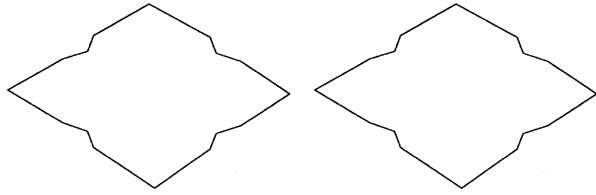

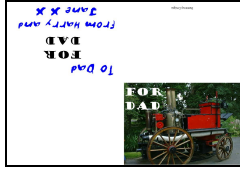

1. Cut around envelope just inside black lines.
2. Fold sides of envelope in along lines marked by red lines in picture.
3. Fold up base of envelope along line marked in green.
4. Run a very thin line of glue along underneath the EDGE of the envelope flap from A to B as shown above and then from B to C, gently insert the cocktail stick into the corners of the envelope and wiggle gently to stop the front and back of the envelope from sticking together.
